5 Karuizawa Shiraito Falls ~ Karuizawa Outlet / Yatsugatake Outlet ~ Seasonal Fruit Picking (Aug-Mid Nov)

Karuizawa Outlet: A western style city with lots of outlet store for your choice.

Fruit Farm*: Seasonal fruit picking like apple, pear and grape. (*Replacement for Asama Volcano Museum. From August to Mid-November, subjects to weather condition.)

6 Whisky/Beer Factory~Tokyo-Harajuku-Meiji Shrine-Shinjuku

Whisky/Beer Factory: Japan is also best known for its alcohol, be it beer or whisky. Visit the factory to see how the alcohol is being produced.

Harajuku: Tokyo street style, where you can find fashion surrounding here.

Meiji Shrine: One of the Japan Shinto worship place, built as a memorial for emperor Meiji.

Shinjuku (Red Light district): The heart of the present-day Tokyo, one of the vibrant, trendy and exciting locations in Japan.

7 Tokyo (Narita) → Singapore

Transfer to the airport to check-in for your flight back to Singapore with a memorable holiday by Hong Thai Travel.

Note: The above itinerary may not be in sequence and it is subjected to change without prior notice. Please refer to the Tour Invoice for the terms & conditions. Blooming of flower/fruit is subjected to weather conditions.

1 Singapore → Narita / Nagoya

Assemble at Singapore Changi Airport for your flight to the "Land of the Rising Sun" ~ Japan

2 Nagoya~Sample Village~Shirakawago~Minjoku Village~Hida Takayama Jinya~Hida Wafu Machi

Sample Village: Unique sample art workshop, you will be taught how to make the "WAX" sample which has always been used to display at the Japanese restaurants.

Hida Takayama Jinya: Ancient Edo era government house full of Japanese culture and a wide range of ancient collections. (Eg. Court House, Government Office)

Shirakawago Minjoku Village: World Heritage, located at Shirakawa-go old traditional living habitat and environment village.

Hida Wafu Machi: Edo era traditional Japanese shopping street where you can find a lot of old traditional souvenirs.

3 Washino-Sato~*Tonami Tulip Park/ Kenrokuen Park~Korinbo Shopping Area

Korinbo Shopping Area: The busiest shopping area in Kanazawa city.

***Kanazawa Kenrokuen Park:** One of the most famous Japanese garden landscapes in Japan, which was built during the Edo era for enjoying the four season's scenery. (Replace by Tonami Park during End April to Early May)

Washino-Sato: Washi means Japanese paper, a place where you can see how the traditional Japanese paper is made.

Higashi Chaya Street: Chaya is a traditional place of feasts and entertainment during ancient time, where geisha (traditional female Japanese entertainers) entertains people by performing dances and playing Japanese traditional musical instrument. You could find yourself being emerged into an illusion of the past.

4 Tateyama~Cable Car & Ropeway~Taisetsu Valley~*Snow Corridor (Snow walk is only available in Mid-April to End June) ~ Kurobe Dam

Snow Corridor "Yuki no Ootani": Take Alpine cable car to 977m of the Mt. Tateyama, follow by coach to 2,450m height. Alight from coach to experience the 10m high snow corridor. (Remark: Walking in the snow corridor is only available in Mid-April to End June, subject to weather conditions). After snow corridor, we will take tunnel Electric trolley bus & ropeway across the Mountain to Kurobe Dam.

Kurobe Dam: The construction of this dam has been called "the most difficult work of the century", requiring seven years and 10million man-days. The dome-shaped arch dam, with a height of 186m and length of 492m, is the largest in Japan and was completed in June 1963 in Kurobe, a largely unexplored region.
